COUNCIL MEETING

Archie Banfield Resigns As Poundmaster

Reardon Matter Held In Abeyance

Mayor A. J. Gaggero presided at the regular meeting of the Daly City council held Tuesday night of this week. Councilmen Dennis, Lynch and McHugh answered "here" as City Clerk B. C. Ross called the roll.

Minutes of the last regular meeting and special meeting were read and approved.

Under communications was a letter from Archie Banfield stating that although he had been poundmaster for over eleven years he did not at the present time seem to be able to satisfy anyone with his work and that he submitted his resignation. The resignation was accepted by a unanimous vote of the council.

City Clerk B. C. Ross was instructed to advertise for bids for the drilling of a new well for the water department. As one or more of the present wells is drying up it is deemed necessary to drill a new one to keep the water supply up to normal.

A motion was made and adopted to appoint A. R. Silicani poundmaster as of February 5 at the prevailing salary. This motion was unanimously adopted by the council members, making Silicani Daly City poundmaster.

Several members of the Daly City. Teen-age club were present and requested that the city allow them to paint up and repair their present club quarters at the expense of the club. Mayor Gaggero suggested that they take up the matter with Bodien and thought that the city would be glad to help them in making their quarters more attractive.

Councilman Dennis made a motion that Archie Banfield be given a vote of thanks for his many years of service to the city. The motion was unanimously passed.

Water Department Superintendent Bodien reported a recent meeting held with County Executive Peterson concerning the Daly City ambulance. He said it was planned to use the ambulance more for Daly City than heretofore and that another ambulance would be used to handle some of the calls that were formerly handled by this one. It is planned to install a radio receiving set in the ambulance so as to be able to keep in touch with headquarters when out on a call.

City Attorney Hoffmann was reported ill and not able to attend the meeting. The Reardon matter was held in abeyance until further action by the court.

Bills were read, approved and ordered paid and the meeting was adjourned without further delay.

Six Offenders Fined In Court

Six offenders paid or forfeited fines at the city court session held Friday afternoon, February 9. Judge William J. Sweeney presided.

Anders Lieberg, 4925 Anza street, San Francisco, forfeited $10 for non-appearance on a charge of being drunk in a public place; Earl Farrell, 1195 Sanchez street, San Francisco, $7.50, speeding; Ralph Hollingsworth, 615 Cordova street, San Francisco, speeding, $7.50; Robert Mibech, 2739 McAllister street, San Francisco, speeding, $7.50; Howard Steers, 662 Eleventh avenue, San Francisco, arterial stop, $1.50; Robert Eby, Santa Monica, signal, $2.50.

Feb. 22 Is Holiday

Just a memo on who'll be closed and who won't for Washington's birthday, February 22. The Bank of America, Daly City Post office, city clerk's office, water collection and judicial departments of the city, public library, and public and parochial schools will be closed.

Daly City Draft Board No. 103 and all other city offices will be open as usual.

To Take Part In Treasure Chest

Mrs. Jean O'Rourke, local librarian, announces that Daly City will take part in a national movement to collect a fund to be known as "Treasure Chest Fund." The money collected will be used to purchase books for children in the war torn countries of Europe and the Orient as they are released from Fascist domination.

The drive in California has already been quite successful. Around the Bay area $536.00 has been contributed.

The drive in Daly City is under the supervision of Mrs. O'Rourke. Children or adults who wish to contribute to this worthy cause will find jars in the library where contributions may be deposited.

Jeff High 130's In Final Game

Friday night at Jefferson gym the 130's and varsity teams of the local high school play their last game of the league schedule. Opponents for the evening are teams from South San Francisco.

At present the 130's are leading the league in their division by virtue of a win over San Mateo last week by a score of 34 to 30. Should they lose to South San Francisco in this coming game they will finish in a tie for first spot in their division. Should they win they will have clinched the championship for the northern division. They would then play a three-game series with the leader of the southern division, probably San Jose, to decide the championship of the two divisions.

The varsity team hasn't done so well this year and the game Friday night will not make much difference in their standing.

Game is scheduled for 7:30 p. m., Friday night, February 16, in the Jefferson gym.

Income Tax Collector Here Feb. 15, 16, 17

Deputy Collector E. Armenio will be at the Bank of America, Daly City, February 15, 16, and 17; at Bank of America, Colma, February 27 and 28.

False Alarm

Daly City Fire Department, Companies No. 1 and 4, responded to a false alarm Sunday at 1:18 a. m. The alarm was turned in from box No. 45, Mission street at Templeton avenue. Chief Andrew Chesney and Elmer Kennedy were in command of the answering companies.

NEWS OF OUR MEN and WOMEN IN UNIFORM

Here's a picture sent by Lieutenant Arnold Panella, now stationed in the Philippines. He has successfully completed 27 missions and has 93 combat hours to his credit.

Panella received his commission as second lieutenant at Williams Field, Arizona, in November 1943.

Private First Class Glenn S. Goode, Daly City, has reported to the Holabird Signal depot, Baltimore, Maryland, for duty. His mother, Mrs. Zaida Goode, lives at 183 Los Olivos avenue. He's a graduate of Jefferson Union high school.

Goode entered the Army in December, 1942, being inducted at the Presidio of Monterey. Before entering the service he was employed by the Southern Pacific company.

J. E. "Monk" Rainey, Radio Man 1-c, USN, is now in the Philipines and with a new rating, according to a letter dated February 1 and received this week by his parents, Mr. and Mrs. Robert Rainey, 345 Willits street. "Monk" is well known locally, graduating from Jefferson high school in 1942 as a popular student and athlete.

Rainey volunteered for the Navy in October 1942, took his "Boot camp" training at Farragut, Idaho, and was assigned to active sea duty in May of the following year. Although he's only 20 years old he's been through many Pacific battles and now has gone to the Phillipines. "Monk's" letter was interesting. He says in part . . .

"Had a pretty nice day yesterday, went ashore for the first time in about three months and the first time here. Went swimming and played football; had a rugged game of tackle and I got all scratched up. The sand on my skin acted as sandpaper every time I'd tackle somebody. Sure was tired and sore this morning.

"Enclosed you will find some Jap invasion money I picked up here . . . "

Patrick J. Byrnes, formerly of Daly City, died November 24 from combat wounds received in Leyte on November 21, according to his aunt, Mrs. W. E. Bundy, 471 Irvington street. Byrne was drafted by the local board in April, 1943, and after receiving training served in the South Pacific theater. This was the second time he was wounded. On June 30, 1944, he was sent to the hospital with battle wounds. Byrnes leaves three small sons, Patrick, Lawrence and James.

Alfred W. Robertson, who has been in the South Pacific for 21 months, came home by plane from the Admiralty Islands for a 30-day furlough.

He was on a sub chaser for about a year and is now in Little Creek, Virginia, training for his position on a new ship, an L. S. T.

First Lieutenant Harold D. Quinn, son of Edward Quinn, Daly City, has landed on an invasion beach in the Philippines with the 25th Infantry (Tropic Lightning) Division.

Lieutenant Quinn, an automotive and maintenance officer in an ordnance unit, received his commission in 1937. He was originally commissioned in the QM Corps but later transferred to the Ordnance department in 1942. A veteran of the Guadalcanal and New Georgia campaigns with the Tropic Lightning division he is entitled to wear the Good Conduct Ribbon and the Asiatic Pacific Ribbon with two campaign stars.

The lieutenant attended Lick School of Mechanics and Industrial Arts in San Francisco, where he participated in various sports. In civilian life he performed automotive work with Melim Service and Supply company, Honolulu, TH. His wife Jean and their two daughters Noel and Betty live at 2958 1-2 Francis avenue, Los Angeles.

Pictured above is Jack D. Smith who for the past 10 weeks has been an aviation cadet, training at Thunderbird Field No. 1, Glendale, Arizona.

Before going to Glendale, Aviation Cadet Smith had seen many months of action in the Pacific, Middle East, and North Africa as an engineer-gunner. He has been in the service for five years.

Smith is the son of Mrs. Mary Petiti, 474 Bellevue avenue, and a graduate of Jefferson Union high school.

A local girl, Miss Mary E. Gallegos, daughter of George S. Gallegos of 406 South Rampart boulevard, will soon leave for the Marine Corps base, Camp Lejeune, North Carolina, for her indoctrination course as a member of the Women's Reserve.

Member of a Marine family, Private Gallegos has a brother, Corporal Louis Gallegos, serving at the Marine Base, Quantico, Virginia. A sister, Private First Class Violet Gale, is on duty at the Marine Air Station, El Toro, California.

She made application for enlistment at the Marine Corps office, Chester Williams building, 215 West Fifth street.

Lieutenant Adi Petrocchi sends the following to the Record:

January 9, 1945

Dear Sirs:-

After four months in the E. T. O. line I got a "break." While resting I came across an article that got me thinking—the problem:

What has the city planned for her fighting sons and daughters?

A memorial? A playground? What?

Have you any editorials on a postwar plan on that subject? If so I would be delighted to have a chance to read it.

Hoping to hear from you soon, I remain

Sincerely
Lt. A. Petrocchi

ESSAY CONTEST

Lincoln Honored By Local Pupils

Bodien Placque Won By Sarah True

Lincoln essays, written by students from Jefferson, Crocker, and Woodrow grammar schools, were judged Friday afternoon, February 8, by a committee composed of Mrs. Louise Eliasen, president of General Pershing P. T. A., Mrs. Elsie Hesselein, president of Woodrow P. T. A., Mrs. Ruth Rowley, president of Colma P. T. A., and Mrs. Leslie Hansen, president of the American Legion auxiliary.

The judges made the following awards: Sarah True, Jefferson, low fifth grade, first place; George Giampoali, Jefferson, high eighth, second place; Eleanor Miller, Crocker, seventh grade, third place.

In the past, Jefferson has won the award nine times, Woodrow two, and Crocker one. The award made on February 8 makes ten for Jefferson.

The placque, on which Sarah True's name will be imprinted, was awarded to her on Wednesday, Feb. 14, by Arthur J. Bodien. The placque will remain at Jefferson until the awards next year.

The essay written by Sarah True follows:

ABRAHAM LINCOLN

By Sarah True

On the banks of a small stream in Kentucky stood the tumbled-down log cabin of Thomas Lincoln and his wife Nancy Hanks. There, on Sunday, the 12th day of February 1809, Abraham Lincoln was born.

The farm on which the cabin stood was poor, rocky, weedy and scrubby.

Thomas Lincoln, the father of Abraham, was lazy and shiftless. Because of this he was poor. He could not read nor write and did not care to learn. He was a hard drinker and was what the Southerners called "Poor White." His wife, however, was a fine woman and one who will always be famous in history as the mother of Abraham Lincoln. Abraham never forgot his mother, she taught him to read and write. She taught her son truth, honor and goodness, and inspired him to do something in the world.

Before Abraham was seven years old the family moved to Southern Indiana. The nearest school to this home was eight miles, but the mother made the children go for a few weeks at a time. In all his life Abraham Lincoln never went to school more than a year.

He was a boy of the backwoods. He was not a pretty boy, but his muscles were hard and tough. He wore a homespun shirt of cotton and wool, spun by his mother, deerskin moccasins and pants. On his head he wore a raccoon skin cap.

When "Abe" was nine years old his mother died, and his father amazingly enough, married another fine woman. She first made this small boy clean and comfortable, and the care that his stepmother gave for his health and mind soon began to show for itself. He became a great reader,

Daly City Record:

Dear Sir,

I've been wanting to write you a letter to thank you for the "Record" for a long time, but as you might guess my spare time is very limited.

I am now, and have been for sometime, in the 3rd Army somewhere in Belgium.

I want to thank you very much for the Record, it certainly is nice to read what is going on back home and about my friends and schoolmates in the service.

Thanking you sincerely, I remain

Place in ungreased 9-inch round cake pan; mark into 8 wedges with fork tines; brush top with orange or lemon juice; sprinkle with remaining sugar. To a man who wants a better job

If a job means something more to you than just putting in time . . . if who you work for is as important as what you do . . . then you are the man we'd like to talk to. Here at Southern Pacific there is a fine opening for you—and in the work of your choice. There are jobs for experienced machinists, carpenters, boilermakers — for craftsmen of all kinds. Jobs for semi- or unskilled men . . . and at many points, good clerical jobs. Remember, when Germany's finished, S.P. will have more work than ever . . . rolling the war westward in the Big Push against Japan. Whatever job you take at S.P. will be a vital job . . . and will have that interest and excitement to it that is always part of railroading. Good wages. Friendly people to work with. Railroad pass privileges. Fine pension plan. Medical services. A job with S.P. you'll find, is a real job. Look into it now.

Essential industry.

WAR VETERANS, MEMBERS OF ARMED FORCES TO THOSE WISHING TO CLAIM EXEMPTION UNDER SEC. 1¼, ARTICLE XIII CONST: AS AMENDED

Make your property returns to the assessor and file your affidavit at once, if you desire to avail yourself of the benefits to be derived under Sec. 1¼, Art. XIII Const. State of California. This should be given your prompt attention each year immediately after the First Monday in March. If affidavits are not filed before assessment rolls are closed, exemption cannot be allowed by Assessor.

It is not ONLY NECESSARY that you file the affidavit within the time specified above but you must also list and properly describe ALL property owned by you including land, improvements, tangible and intangible personal property regardless of location. No exemption will be allowed unless this is complied with. If you own property of the value of $5,000.00 or over you are not entitled to exemption.

Do not take your affidavit to a notary for acknowledgement but come to this office or take it to a deputy assessor, together with your discharge papers or certificate of service or enlistment record. If you have previously claimed exemption in this County, it will not be necessary for you to show your discharge papers or certificates but your affidavit must be filed each year. Applicants whose services with the armed forces have terminated must show their discharge papers even though exemption had previously been allowed during their time of service. If you are a resident of another County, call on the county assessor there and he will see that your affidavit is properly filed.

Persons now in the service entitled to exemption may subscribe to affidavit before a Notary Public or person authorized to take an oath under the laws of this State. If applicant cannot appear before the Assessor "because of sickness or similar cause" he may make the affidavit before a deputy assessor if one is available; if not, "then the applicant may make and subscribe the affidavit before any person authorized to take an oath under the laws of this State."

If any person now serving in the armed forces of the United States entitled to exemption provided by Section 1¼ of article XIII of the Constitution cannot by reason of such service personally file a claim under oath therefor with the assessor, the spouse, a relative, or agent having personal knowledge of the facts required to be set forth in the claim may execute the claim on behalf of such person and subscribe the affidavit thereon. The person executing the claim on behalf of an applicant shall attach thereto as part thereof an affidavit setting forth the relationship of such person to the applicant and that the applicant is serving in the armed forces of the United States or in civilian work connected therewith and by reasons of service cannot personally execute the claim.

Valentine Greetings
from Old Friends

"WE WILL ALWAYS BE FAITHFUL AND TRUE . . .
CARE FOR US AND WE WILL CARE FOR YOU."

It is more than sentiment to give your faithful home appliances affectionate care. Your present appliances may have to carry on through another year of wartime service.

Keep your appliances lively and likable. Give the motors in your washing machine, blower furnace, mixer and vacuum cleaner the right amount of oil with regular frequency. Use, but avoid abuse of heating devices. Brush or vacuum out the dust and dirt that can choke down heat output of furnaces and unit heaters.

Should trouble develop with an appliance—tinker only if you know how. Otherwise, better play safe and have an authorized repair dealer fix your appliances.

often reading late at night by the light of the fire.

From this time on he had many jobs. And the tales of his honesty are told today. He is often called "Honest Abe."

Abraham never stopped learning, both from books and from the people around him. Finally because of his liking of people and their problems, he decided to go into public life. He went into politics and was sent to the Legislature when he was 25 years old. This inspired him to study law. He won fame as a lawyer and at times he even sat as judge in the Circuit Court.

He gradually rose in the world; but it was all done by hard work. In 1846, Lincoln was elected to the Congress of the United States and a few years later became the President of the United States. While he was in office Lincoln saw three bitter years of Civil war which ended with his famous "Gettysberg Address."

Soon after his second election, while Abraham Lincoln was sitting in the Ford Theater in Washington with his wife, he was shot and killed by John Wilkes Booth.

His love and kindness will be remembered throughout the ages, for Lincoln is known as the liberator of men.

News From Jeff District Schools

AT CROCKER

Last week the pupils of Room 2 welcomed Harry Hampton and Geraldine Shroyer to their room. These students came from San Francisco.

Carley Carl, Room 4, spent the weekend visiting her grandmother in Mountain View.

With the opening of the new term Room 6 welcomed four new students to the high seventh grade. The new students are Betty Berghorn, Patricia Grondel, Francis Hampton, and Marlene Sturdevant.

Room 6 has made a very good start. They have won the War Stamp banner as the class purchasing the most defense stamps.

AT WOODROW

Room 8 has nine boys and girls in the high sixth and 36 boys and girls in the low seventh. The low seventh is busy preparing to learn about the colonization of their country by reviewing their sixth grade social studies.

The boys and girls of the sixth grade are learning the divisions of the earth. They know the names and locations of all the zones and imaginary lines which divide the world.

The boys and girls of Room 12 have moved via promotion to a new room and are getting acquainted with their new books and surroundings.

In social studies they are learning about rivers, river systems, mouths, sources, and deltas.

The children of the high fourth and low fifth have been learning how to use the encyclopedias. In thumbing through the encyclopedia for their first lesson, the children found many interesting topics, colored pictures, graphs, and maps.

AT JEFFERSON

Bonnie Scott, sixth grade, brought a thrill to her fellow students this week by bringing to school a copy of a newspaper called "The Daily Intelligencer," published in Atlanta, Georgia, May 30, 1863.

The children were tremendously interested in reading Civil War news in which the names of General Lee and Colonel Hooker were mentioned. And they received a much clearer understanding of what slavery was like by reading the advertisements of many sales of slaves and offers of reward for the apprehension and return of runaway slaves.

Boys in the eighth and high seventh grades are starting a course in leather craft. They are going to learn how leather is tanned, uses of leather, and then design and tool a comb case and other leather articles.

After listening to a reading of the story of "Danny Decoy," the first grade children made a series of charming original sketches of these characters. They are now being exhibited in the art corner of the room. The second and third grade has an unusually attractive room border of valentines of various shapes and sizes, designed by the children. The color scheme is red and white.

New units of work have started in the different grades. "National Parks and Monuments" is the title of the unit assigned to the eighth grade. Preceding the actual work of the unit, interesting stillfilms were shown in the classroom that the students might have a fuller conception and appreciation of the work about to be undertaken. Some of the films were Niagara Falls, Yellowstone National Park, Yosemite Valley, Mt. Rainier National Park, Death Valley, Grand Canyon and Zion.

In addition to this showing there were lantern slides and stereographs in color of California birds, flowers, and wild animals. As the unit progresses it will include map geography, reading, composition work and other subjects.

According to custom in the eighth grade, spelling teams were chosen for the semester. Eleanor Figone is the captain of the "A" team and John Olcese is leader of the "B" team. Each Friday morning these teams will compete in a spirited spelling match.

Graduating Class Tops Annual Goal

The graduating class of June '45 is a happy one this week for they not only reached their goal to sell 300 annuals by February 10, but with still another day of sales on Tuesday, the number sold had mounted to 341.

This is the first time in many years that Jefferson has successfully tried to put out a printed year book. In previous years editions have been put out by the journalism and mimeograph departments.

The senior class, assisted by the journalism, photography, and art departments, will present a book including pictures of all school activities, both this term and last; class pictures, organizational, and miscellaneous school views.

President of the senior class is Dan Shannon.

It's a jocose term—but with a serious implication. True, your pharmacist carries no grenade or gun, but he is in a very real sense a soldier. His post of duty is on the Home Front; his sector of the battle is this entire neighborhood.

The assignment—which we share with your physician—is to keep you well, and keep you working. It's a big job, and an important one. Because, in these troubled times, the nation needs the full measure of energy and effort of everyone.

You can help, too, by taking no unnecessary risks; and by calling on your physician at the first suggestion of illness.

Sometimes there's an Extra Rush on Long Distance

Every day, millions of hands reach for the telephone to use Long Distance. Most of those calls go through quickly.

But sometimes there's a crowd on certain lines. Then Long Distance will say, "Please limit your call to 5 minutes."

That helps everybody.

Jap Prisoner Speaks

Reverend Robert "Bob" Hammond, recently of Hong Kong and a captive of the Japanese for many weeks, spoke at the Grace Church of the Nazarene on Thursday night, February 15.

He was present at the fall of Hong Kong and had an exciting story to tell. There were many days of being hidden from the ruthless Japanese soldiers, of subsisting on the bare necessities of life, and of meeting a Japanese general and being questioned carefully. There were days in a concentration camp, sickness and starvation, nauseating sanitary conditions, firing squads, and many things worse than death.

Reverend Hammond is a Nazarene minister and intends to return to China at the earliest opportunity.
